

## Open Days at Senior Schools 2008

An Open Day is an opportunity for you to view the school in question and form an opinion as to whether or not it may be suitable for your child. Further information can be found on the schools' websites and in the local press, particularly in relation to times that the Head may make an address. The list below is neither exhaustive nor prescriptive, but merely guides you. Do contact us if you require more information. It is advisable to check dates, times and availability of spaces for Open Days with each individual school.
